Tips & information

- If you experience eye complaints (e.g. pain, redness, deteriorating sight) please contact the ophthalmology outpatient clinic of your hospital.
- If you have questions about your medication, read the instructions for use of the prescribed eye drops, or contact your pharmacy
- Your eye will be sensitive for the first few days. This improves as you use the eye drops. It is therefore important that you follow the schedule.
- Scan the QR code for a video on using eye drop glasses to insert the eye drops.
- If you are unable to insert the drops after seeing the video, ask someone for help and/or visit your pharmacy for instruction.
